

**LOOKING FOR A CHALLENGE THAT'S FUN
AND DOES A LOT OF GOOD TOO?**

**CLIMB A BEN FOR DUCHENNE IS AN EXCITING NEW
ANNUAL FUNDRAISING EVENT STARTING IN JUNE**

The idea is simple: get together with some friends during the month of June, choose a big hill, and do a sponsored trip to the top! All the money goes to Action Duchenne, the only UK charity working towards both better care and a cure for Duchenne and Becker Muscular Dystrophy. Your donations and support of this event will help end this tragic waste of young lives.

So why not get together a team of friends, family or colleagues? Everyone's welcome. Then just pick a Ben, and get climbing!
